School Information

Use the following sections to indicate how many school buildings you are interested in supporting, the number of students in each building, and the location of each building. **IMPORTANT:** If you have multiple buildings within a single school district, each building must have its own entry.

Example:

- School 1: Northwoods Middle School, 50 students, Northwoods, WI in Maple County
- School 2: Pine Crest High School, 200 students, Northwoods, WI in Maple County

You are only required to complete the sections below for the number of schools you are looking to support. Due to limited funding, we are only able to fund up to 4 buildings in any one given district.

SCHOOL #1

- Name of School
- Number of Students
- City & County of School

SCHOOL #2
